### MEET YOUR HOME STAGER

Rebecca Boler is a certified Home Staging Specialist who saw the Home Staging needs as an opportunity to better her client's lives. She recognizes the stress and emotional burden that can accompany selling a home and takes pride in easing these stresses for her clients.

Rebecca sees each Staging opportunity as a new challenge to accentuate the strengths and minimize the weaknesses of a home.

Rebecca has a huge passion for her business and the work she does. She will never shy away from loading a truck, cleaning a window or planting flowers. Whatever it takes to get a home ready to sell, she is ready to get to work.

Rebecca is originally from Oshkosh, WI and moved to Dallas to pursue her education at The University of Dallas. She graduated with Honors in Business Administration. She is the proud mother of 3 and wife to Cass. Her passions outside of work include cooking, travel and everything HYGGE.
